THE JUNIOR LEAGUE OF GREATER WINTER HAVEN FOCUSES ON:

Hunger & Family

Education

Childhood Health

COMMUNITY PROJECTS

Mobile Food Pantry - Visits different areas of the community who are struggling to keep food on the table. The Mobile Food Pantry aids in diminishing child hunger in our community by distributing healthy, wholesome food items to families with children whose nutritional needs are not being met.

Kids in the Kitchen - Promotes child health and wellness by providing lessons and demonstrations related to the preparation of healthy meals and snacks. These lessons include learning exercises for kids, tips on nutrition, and recipes for meals and snacks. By partnering with after school programs, the Junior League is able to provide monthly lessons to children in the community.

Stork Pile Project - Helps less fortunate new moms when they leave the hospital. Our goal is to provide 12-14 baskets to our local women's hospital. The laundry baskets double as a sleeping aid for the baby so they do not co-sleep with a new mom. The baskets are filled with necessities such as blankets, diapers, diaper cream, bibs, onesies, socks, first aid kit, etc.

Teacher Mini Grants - Award up to \$250 to local teachers proposing innovative educational programs. In addition to financial awards, JLGWH also offers volunteer hours from members to help teachers in the community. Grants are open to all public and private school teachers in the Greater Winter Haven Area, including Winter Haven, Auburndale, Bartow, Lake Alfred and Lake Wales.

Cookbook - A Splash of Citrus is a collection of over 100 recipes from League members, their families and friends. Showcasing two of the area's greatest treasures - the Chain of Lakes and the citrus industry. The stunning photography was taken by Mike Potthast.
